

How to find Northwick Park Hospital

Northwick Park Hospital, Watford Road, Harrow, Middlesex HA1 3UJ

Map not to scale

By road

Turn into the Northwick Park Hospital site and follow the outer ring road. Drive past the multi-storey car park and follow the ring road to Car Park 3. The InHealth Mobile MRI scanner is located in Car Park 3. There is a zebra crossing in front of the Mobile MRI unit.

Parking

Please park in Car Park 3 which is pay and display.

By bus

The following buses travel to the hospital site H10, 186, 223, 182, H14 & N18. Most buses stop at the front of the Hospital, if this is the case then walk past the multi-storey car park and follow the outer ring road round to the back of the Hospital. Continue until you reach Car Park 3 which is immediately after the Day Care Unit. The InHealth Mobile MRI scanner is located in Car Park 3. The 186 continues around the outer ring road of the Hospital and stops just after Car Park 3.

By rail

The nearest tube station is Northwick Park, which is on the Metropolitan line.

To get to the Hospital from the station leave using the left exit and follow signs to Northwick Park Hospital. This will take you onto the Hospital outer ring road. Turn left and follow the road until you come to Car Park 3. The InHealth Mobile MRI scanner is located in Car Park 3. Northwick Park tube station is located about half a mile from the hospital.

Please report to the reception desk of the InHealth Mobile MRI scanner.
